Re: Hackberry Zone, Reservoir D
Marceaux Island Field
Cameron Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **LAKE RONEL OIL COMPANY** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an Order pertaining to the following matters in the **Hackberry Zone, Reservoir D**, in the **Marceaux Island Field**, Cameron Parish, Louisiana, for which rules and regulations were established and two (2) drilling and production units were created by Office of Conservation Order No. 1467-A-3, effective April 11, 2006, to-wit:

1. To create one additional drilling and production unit for the exploration for and production of gas and condensate, such unit to be designated HBY RD SUC;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit, with each tract sharing in unit production on a surface acreage basis of participation;

3. To extend to the proposed units, to the extent not inconsistent herewith, all pertinent provisions of Office of Conservation No. 1467-A-3; and
4. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Hackberry Zone in the Marceaux Island Field, Cameron Parish, Louisiana was previously defined by Order No. 1467, effective July 8, 2003.

The pre-application conference tentatively scheduled for Wednesday, October 4, 2006, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, AT THE COST OF THE REQUESTING PARTY, by contacting Louis Gilbert & Associates, 3636 N. Causeway Blvd., Metairie, Louisiana, 70002, (504)834-8112.

There is attached hereto and made a part hereof a plat outlining the proposed unit and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, there is also enclosed a check in the amount of \$755.00, made payable to the Louisiana Office of Conservation, in payment of the required hearing application fee.

Very truly yours,

RANDALL C. SONGY
